FROM: Don Scheppmann, Chief  
Personnel/Payroll Services DivisionRE: **CALIFORNIA STATE UNIVERSITY BARGAINING UNITS 02, 04, 05, 06, 07, AND 09  
JANUARY 1, 2007 GENERAL SALARY INCREASE**

The agreement reached between the California State University (CSU) and Bargaining Units (BU) 02, 04, 05, 06, 07, and 09 employees provides for a 1% General Salary Increase (GSI) effective January 1, 2007. Refer to Technical Letter HR/Salary 2007-07 for further information.

A GSI Employment History (EH) mass update is scheduled to occur on Tuesday evening, May 15, 2007, to post a January 1, 2007 effective date GEN transaction. The EH Online System will be available for inquiry and update at its normal time on Wednesday, May 16, 2007 (i.e. 7:00 am – 6:00 pm).

#### PPSD EH UPDATE PROCESS

All employees in BU 02, 04, 05, 06, 07, and 09 are entitled to receive a 1% GSI effective January 1, 2007. Those employed in campuses with a January 2007 academic pay period that does not begin on 01/01/07 will be updated with a GEN transaction effective the first day of the January 2007 pay period.

Employees with an appointment expiration date that is prior to the first day of the January 2007 pay period will be included in the EH mass update. Campuses can access a list of the employees via the CIRS Compendium Report H50, Cycle 9999 under Campus Detail, General Salary Increase. Campuses must determine if the employees are to be reappointed or separated and key enter the appropriate transactions.

Employees with a separation effective date prior to the first day of the January 2007 pay period may need an adjustment to their lump sum payments, if those payments extend beyond the December 2006 pay period. A GEN transaction will not be posted. PPSP will identify the affected employees and manually adjust the lump sum payments.

Employees with a red circle rate are not included in the EH mass update. PPSP will identify the affected employees and manually process the GSI via the GEN transaction.

Employees on NDI, supplementing with Catastrophic Leave Donations, are eligible for the GSI. If an employees on NDI effective the first day of the January 2007 pay period or later, the EH mass update will post the GEN transaction and generate the GSI rate. The mass update will also correct any

subsequent transactions with the new salary rate. However, the mass update cannot update EH records for those employees who were on NDI prior to the first day of the January 2007 pay period. PPSD will identify the affected employees and manually process the GEN transaction as well as correct any subsequent transactions.

Employees in class codes on the salary schedule identified as hourly rate (i.e. class codes 7930 and 7193) will not be updated via mass update. PPSD will identify the affected employees and manually process the GSI via the GEN transaction.

### PAYROLL ADJUSTMENTS

The majority of the regular pay adjustments resulting from the GSI EH mass update for 01/2007 through 04/2007 pay periods will be made in the daily payroll cycle issued dated 05/17/07. Any payments not generated from the EH update will be identified and manually processed. Please allow fifteen working days from the date an employee's EH record was updated before inquiring on the employee's missing adjustment payments.

Campuses will need to request GSI adjustments to FLSA overtime pay (payment type 1, payment suffix F) via the PIP System. Likewise, campuses will need to submit Form STD. 674/674D to request adjustments for the disability related payments that have issued for the January 2007 through April 2007 pay periods.

### RETROACTIVITY CHARGES

All transactions as a result of the GSI are considered to be non-controllable personnel and payroll transactions. The EH transactions and adjustment payments from the GSI mass update and PPSD manual updates will not be reflected on the Monthly Retroactivity Report. All other transactions will appear on the monthly report (see PPM Section A011 for further information). A campus may return the report identifying the items associated with the GSI along with the appropriate explanation.
